GET READY (FOR CHRIST TO COME)

Never met a man could make me feel
the way that Jesus does
He's so good
And one day soon He's coming back for real
I know it because
He said He would

Well twiddley dee, twiddley dum
Look out Christian, 'cause here He comes

(Ahh...) He'll do just what He said He'd do
Get ready, get ready
(Ahh...) He's coming for me and you
Get ready, get ready
Aw, don't you know He's comin'
(Get ready for Christ to come)
Any day (Get ready for Christ to come)

If you wanna' play fast and loose with God
Remember that Christ could come today
He's reachin' out to you, and the time is growin' short, now
So don't delay
Well, fee fi, fo fo fum
Look out Christian, 'cause here He comes

(Ahh...) He'll do just what He said He'd do
Get ready, get ready
(Ahh...) He's coming for me and you
Get ready, get ready
Aw, don't you know He's comin'
(Get ready for Christ to come)
Any day, yeah (Get ready for Christ to come)

Aw, I wanna be ready when the trumpet sounds
To meet Him in the air, with all the saints
There's gonna be a party up in Heaven that day
When we get there, I can't wait

Well twiddley dee, twiddley dum
Look out Christian, 'cause here He comes

(Ahh...) He'll do just what He said He'd do
Get ready, get ready
(Ahh...) He's coming for me and you
Get ready, get ready
Aw, don't you know He's comin'
(Get ready for Christ to come)
Any day, yeah (Get ready for Christ to come)
Mmm... (Get ready for Christ to come)
Get ready! (Get ready)
For Christ to come!

HOSANNA

Come to Jerusalem Palm Sunday morning
and see Him ride
Hosanna, Hosanna
A thousand people gonna gather on the streets to get a glimpse of Him, Hosanna

All I wanna do is grab a palm branch and wave it high
Hosanna, Hosanna
I didn't know that the King would come riding
into town for me

The prophecy is fulfilled today, Hosanna yeah
Jesus comes and I have to say
Blessed is the King
Blessed is the King, Hosanna yeah
Blessed is the King
Blessed is the King, Hosanna yeah

All of the people are shouting at Jesus as He goes by
Hosanna, Hosanna
Riding in on a donkey as He comes here to save us all Hosanna

All I wanna do is get close enough to look in His eyes
Hosanna, Hosanna
I never thought that Jerusalem could ever be so glad

The prophecy is fulfilled today, Hosanna yeah
Jesus comes and I have to say
Blessed is the King
Blessed is the King, Hosanna yeah
Blessed is the King
Blessed is the King, Hosanna yeah

Blessed is the King
Blessed is the King, Hosanna yeah
Blessed is the King
Blessed is the King, Hosanna yeah

HAPPY IN JESUS

Imagine Christ in you, I do
I worship Jesus day and night, it's only right
To thank Him for His grace and love, and hold Him tight
So happy in Jesus

Each day I talk to Him, and take some time
And He says I belong to Him, eases my mind
I never knew that life could be so very fine
So happy in Jesus

I can't see me servin' nobody but God
For all my life
He is with me, givin' me all that He's got
For all my life

Me and God, and God and me
No matter what the devil says, it has to be
The only one for me is Christ, and Christ for me
So happy in Jesus

I can't see me servin' nobody but God

For all my life
He is with me, givin' me all that He's got
For all my life

Me and God, and God and me
No matter what the devil says, it has to be
The only one for me is Christ, and Christ for me
So happy in Jesus

Ba pa pa pa.... etc.

Me and God, and God and me
No matter what the devil says, it has to be
The only one for me is Christ, and Christ for me
So happy in Jesus
So happy in Jesus
His mercy frees us
So happy in Jesus

I'm happy in Jesus
So happy in Jesus
So happy in Jesus
So happy in Jesus

I WANT JESUS

I know a Savior who's so sweet
Jesus' love makes me complete
He's everything that I desire
He has set my soul on fire

I want Jesus, I want Jesus

When He sends His glory down
I wanna spread His love around
Makes us all God's sons and daughters
Fills me up with living water

I want Jesus, I want Jesus, yeah!

Jesus' love, there's nothing better
I read His words in red letters
Ask Him into your Heart and mind
Then you'll have Jesus all the time

I want Jesus, I want Jesus
I want Jesus, I want Jesus

Hey! Hey!
Hey! Hey!

OLD TIME RELIGION

Just take that Bible off the shelf
I'll sit and read it all by myself
I'll sing a hymn, 'cause I love each one
I like that old time religion

Don't try to tell me 'bout the new age
Or some new fashion that is all the rage
In ten minutes it'll be over and done
I like that old time religion

Still like that old time religion
The kind that preaches God's only Son
And how He came and died for everyone
That's the old time religion

I wanna hear some preaching from the Word
That penetrates the hearts of all who heard
That's how my walk with Jesus was begun
In church with old time religion

Call me a relic, call me what you will
Say I'm old-fashioned, say I'm over the hill
My wife doesn't wear her hair in a bun
But we like old time religion

Still like that old time religion
The kind that preaches God's only Son
And how He came and died for everyone
That's the old time religion

Gimme that old time religion
Gimme that old time religion
Gimme that old time religion
It's good enough for me

Still like that old time religion
The kind that preaches God's only Son
And how He came and died for everyone
That's the old time religion

Still like that old time religion
The kind that preaches God's only Son
And how He came and died for everyone
That's the old time religion
Still like that old time religion

Still like the old time religion.

SHEPHERD BOY

He was a boy, it was a bear
Could it have been any more dangerous?
He killed the bear, and lion that day
What more can I say
Saul was the king, he had a sword
But he didn't always obey the Lord
And soon his reign would come to a close
'Cause it was David that God really chose

He was a shepherd boy
Loved God more than ever, boy
Anointed by prophet Samuel
He was the chosen one
A buddy of Jonathan
He would be king of Israel

One day soon, the Philistines
They had a giant who's big and mean
Goliath would shout, send someone out
If you're not all too afraid of me
So David says, I'll go and fight
God is with me, so I'll be alright
He takes his sling, and one rock to the head
And there's a giant falling dead

He was a shepherd boy
Loved God more than ever, boy
Anointed by prophet Samuel
Now he's a warrior
Born to be ruler
He will be king of Israel

He was a shepherd boy
Loved God more than ever, boy
Anointed by prophet Samuel
Now he's a warrior
Born to be ruler
He will be king of Israel

This is how it all turned out
He became the king, no doubt
Israel was one again
But that's not how the story ends
His descendant was to be
The Saviour who would set us free
There is more than meets the eye
To that shepherd boy outside

You're just a boy
And you're just a girl,
Can God make it any more glorious?
That just a boy
Or just a girl
Depending on God can change the world

He was a shepherd boy
Loved God more than ever, boy
Anointed by prophet Samuel
When he became a man
Ruled over all the land
He was the king of Israel

He was a shepherd boy
Loved God more than ever, boy
Anointed by prophet Samuel
When he became a man
Ruled over all the land
He was the king of Israel

I LOVE JESUS CHRIST

I heard how Christ could make my spirit clean
He saved me back when I was just seventeen
I'm weak, but He is strong
He gave me a brand new song
And I know it won't be long
Till He comes for me, yeah, me
And everywhere I go, He's here with me
Yeah, me, singin'

I love Jesus Christ
I'll tell everyone about Him, baby
I love Jesus Christ
So come on and worship Him with me

Ow!

So every day I pray in Jesus' name
No matter what, He'll always be the same
He's made my heart His home, so I'll never be alone
And I'm telling everyone that they can be free, yeah free
Because He gave His life for you and me, you and me, singin'

I love Jesus Christ
I'll tell everyone about Him, baby
I love Jesus Christ
So come on and worship Him with me

I love Jesus Christ
I'll tell everyone about Him, baby
I love Jesus Christ
So come on and worship Him with
I love Jesus Christ
I'll tell everyone about Him, baby
I love Jesus Christ
So come on and worship Him with
I love Jesus Christ
I'll tell everyone about Him, baby
I love Jesus Christ
So come on and worship Him with me

AND SHE PRAYS

Hey!

And she was praying on her knees
And she could hear her Saviour speaking
And she was spending time with Jesus
Because He gives her power for living

Memorizing a scripture verse
Her faith is starting to rise
Now she knows she can face the world
And she opens up her eyes

The world is dying, 'cause they need salvation
and she prays
Her friends all know that she is praying for them
'cause she prays
And she prays

And she is praying for her pastor
And she tells God about her needs
And she is living in the Spirit
And she can tell that she's been freed

The God that made all the universe
Answers all her prayers
Every day when she comes to Him
He is always there

The world is dying, 'cause they need salvation
and she prays
Her friends all know that she is praying for them
'cause she prays

She is glad about it... no doubt about it
She is thankful for what God's done
When friends ask about it, she will tell them
That they can talk to God like she does
And she prays

Hey hey, hey hey, hey!

And she is praying for her church
And interceding for her family
She's thanking God for her salvation
She's looking to Him for direction, oh, oh. oh

Hey, hey, hey, hey, hey... etc.

The world is dying, 'cause they need salvation
and she prays
Her friends all know that she is praying for them
'cause she prays
Telling the world that Jesus loves them, 'cause she prays
Everything's gonna be alright 'cause she prays
And she prays
And she prays
And she prays
And she prays

And she prays
And she prays
And she prays
And she prays
And she prays

MESSAGE IN THE BIBLE

Just a normal guy, how lost could I be, oh
I really need someone to guide and comfort me, oh
More loneliness than any man could bear
God sent his Word to save us from despair, oh

He sent the Word of God to the world
He sent the Word of God to the world
I hope that we all get His
I hope that we all get His
I hope that we all get His
Message in the Bible, yeah
Message in the Bible, yeah

Each day that passes I read His Word
Every morning, that's how I start
Only He can keep me together
God can mend your life and
God can change your heart

He sent the Word of God to the world
He sent the Word of God to the world
I hope that we all get His
I hope that we all get His
I hope that we all get His
Message in the Bible, yeah
Message in the Bible, yeah
Oh, message in the Bible, yeah
Message in the Bible, yeah

Woke up this morning, the Bible verse that I saw
Talked about how Jesus gave His life for all
Seems you're not alone in feeling alone
But your God is always there, preparing you a home

He sent the Word of God to the world
He sent the Word of God to the world
I hope that we all get His
I hope that we all get His
I hope that we all get His
Message in the Bible, yeah
Message in the Bible, yeah
Message in the Bible, oh
Message in the Bible, yeah

Sending out the Word of God
Depending on the Word of God
Sending out the Word of God
Depending on the Word of God
(repeat to fade)

GOD SHACK

If you see an old church by the side of the road
It says come on into the
God Shack! God Shack yeah, yeah
I'm headin' down to the church on Sunday
Lookin' for a praise getaway, headed for a praise getaway

I got me church, it's as big as a whale
And we just like to call it the God Shack
I got me a pastor, he dresses kinda funny
So hurry up and bring your offering money

Well the God Shack is a little old place where
We praise God together
God Shack, baby
God Shack, baby
God shack, baby, God shack! God shack, baby, God shack!
God, baby, that's where it's at.

Sign says...
However you're dressed, come get blessed
at the God Shack!
Well the band and choir's gonna lift Him higher
God is here in this shack and I gotta get back

Praise Him on the platform
Praise Him in the aisle way
Praise Him in the back row
Praise Him on the highway

Well the God Shack is a little old place where
We praise God together
God Shack, baby
God Shack, baby!
God shack, that's where it's at, God shack, that's where it's at.

Prayin' and a praisin', singin' and a lovin'
No air conditionin', so it's hot as an oven
We get so blessed that we're gonna spread His message
Around and around and around and around!

Everybody's singin', everybody's praisin' baby!
Folks linin' up outside just to praise God!
Everybody's singin', everybody's praisin' baby!
Blessin' in the shack! Blessin' in the shack!

We got a big God, bigger than any whale
and He will never, never fail!
We got a soprano who sings kinda funny
So hurry up and bring your offering money

Well the God Shack is a little old place where
We praise God together
God Shack, baby
God Shack, baby!
God shack, baby, God shack! God shack, baby, God shack!
Yeah, that's where it's at!

Bang, bang, bang, on the drums baby!
Praise Him louder, people!
Bang, bang, bang, on the piano baby!
I can't hear you!
Bang, bang!
On the drums, baby!
Bang, bang!
On the guitar!
Bang, bang!
On the pulpit, preacher!
Bang, bang!
In the pews, praise God!

In God, we trust!

God shack, baby, God shack! God shack, baby, God shack!
Yeah, that's where it's at!
God shack, baby, God shack! God shack, baby, God shack!
Prayin' and a praisin', singin' and a lovin' at the God Shack!
