PRAISE THE LORD ALL NIGHT

God gives us everything we've got
He forgave our sins and He forgot
Let's worship Jesus, let's go crazy

We're gathered here to worship Him
Let's open up our hearts and let Him in
We'll celebrate Him, let's go crazy
We'll keep on singin', we'll keep on shoutin'

Chorus:

I wanna praise the Lord all night
and serve Him everyday
I wanna praise the Lord all night
and serve Him everyday
I wanna praise the Lord all night
and serve Him everyday
I wanna praise the Lord all night
and serve Him everyday

We'll keep on praisin' Jesus' name all the time
And we are ready to let our light shine
Let's worship Jesus, let's go crazy

God gives us everything we've got
And let me tell ya, that's quite a lot
We'll celebrate Him, let's go crazy
We'll keep on singin', we'll keep on shoutin'

(repeat chorus)

(repeat chorus to fade)

GOD WILL PROVIDE

At first I was afraid, I was petrified
Kept thinkin' I don't know how
my needs will be satisfied
But then I saw how Jesus said
that all my worrying was wrong
And I grew strong
I know He'll help me get along

And now I trust, trust in His grace
And knowing that He cares for me
will put a smile upon my face
I should have trusted in Him more
I should have known He'd care for me
Because it's written in his Word
that He'll supply all of my needs

But now I know, I know for sure
That He'll provide now
So I don't worry anymore
God is the one who knows
just what I need inside
So my faith won't crumble
And my trust in Him never dies

I'm satisfied, God will provide
Oh, as long as I have faith in Him
I know I'll stay alive
Jesus died so we could live
He's got riches He will give
and He'll provide
God will provide, hey hey

It took all my faith in Him not to fall apart
But Jesus came to mend the pieces
of my broken heart
And I spent oh so many nights
Just feeling sorry for myself, I used to cry
But now I hold my head up high

And God made me somebody new
I'm not that worried little person
wondering what to do
And so you too should trust in Him
because He wants to set you free
And He has promised He'll be here for us
for all eternity

And now I know, I know for sure
That He'll provide now
So I don't worry anymore
God is the one who knows
just what I need inside
So my faith won't crumble
And my trust in Him never dies

I'm satisfied, God will provide
Oh, as long as I have faith in Him

I know I'll stay alive
Jesus died so we could live
He's got riches He will give
and He'll provide
God will provide, Oh...

And now I know, I know for sure
That he'll provide now
So I don't worry anymore
God is the one who knows
just what I need inside
So my faith won't crumble
And my trust in Him never dies

I'm satisfied, God will provide
Oh as long as I have faith in Him
I know I'll stay alive
Jesus died so we could live
He's got riches He will give
and He'll provide
God will provide, I'm satisfied
God will provide
Oh, as long as I have faith in Him

HIS LOVE

I was so lost I did not recognize
the sin that had me hypnotized,
the chaos that controlled my mind
But then I heard about the love of Christ
And He took away my sin
And He lives in my heart

Chorus:

Oh, His love has taken a hold of me
He's blessed me like so many times before
'Cause He came and laid down His life for me
I made this choice, now I won't be alone anymore
Whoa, whoa, whoa

I tried my best to do it on my own
But I ended up alone
'Till Jesus came and brought me home
Stop living life like it is just a game
You never will be the same
If you'll repent in Jesus' name

(repeat chorus)

He'll fix these broken things
Repair your broken wings

and make sure everything's alright (*It's alright, it's alright*)
Keep His praise on your lips
God's at your fingertips
He's reaching out to you
and you know just what He wants you to do

(repeat chorus)

His love has taken a hold of me
He's blessed me like so many times before
'Cause He came and laid down His life for me
He's blessed me like so many times before

(repeat chorus to fade)

SUNDAY SCHOOL ROCK

I remember when I was young
Sunday mornings were so much fun
Playing games and singing songs
and a godly teacher taught us right from wrong
But the best lesson I ever got
while the kids did the Sunday school Rock
was that Jesus stood at my heart's door and knocked
So I opened my heart,
and now I stand on the Rock, well

Chorus:

Sunday school rocking, you just can't knock it
and the kids just can't keep still
I never knew me a better time and I guess I never will
Oh, Bible lessons, taught me right
Showed me how to see the light, and
Sunday school rocking was out of sight

La..... la la la la la.....
La la la la la.....La la la la la.....

As the years went by my faith never died
It's been forever since I sang Deep And Wide
Childhood's gone, but Jesus' love has grown
Now I'm teaching Sunday school to kids of my own
and the kids all love the thrills we've got
'cause we still do the Sunday school Rock
Learning fast as the weeks go past
We really know the blessings of Christ will last, well

(repeat chorus)

La..... la la la la la.....
La la la la la.....La la la la la.....

Do you remember when you were young?
Sunday mornings were so much fun
Playing games and singing songs
and a godly teacher taught you right from wrong
But the best lesson you ever got
while the kids did the Sunday school Rock
was that Jesus stood at your heart's door and knocked
So you opened your heart,
and now you stand on the Rock, well

(repeat chorus)

La..... la la la la.....
La la la la la.....La la la la la.....

YOU OUGHTA BE A CHRISTIAN

Chorus one:

Hey! Hey! You! You!
You oughta be a Christian!
Your heart! Your heart!
I think you need a new one
Hey! Hey! You! You!
You oughta be a Christian!

Chorus two:

Hey! Hey! You! You!
You know that you need God
No way! No way!
Can't make it without Him
Hey! Hey! You! You!
You oughta be a Christian!

He's the one, God's only Son
He's so amazing
I think about Him all the time
I'm always praising
Don't you know what He can do to make you feel alright?
Don't you know that He died on the cross for ya
and His love is so great it's gonna floor ya
So if you will turn to Him, He'll turn your wrong to right

Chorus three:

His love lasts forever
Makes your life so much better
I think you should get together now
and that's what God's Word is talking 'bout!

(repeat chorus 1 and 2)

Can't you see Him reaching, see Him reaching out to you
And even when you run away from Him, He still loves you
And He is knocking on your heart's door again and again

(So come over here)
So come over here, if you have two ears to hear
Make the Lord Jesus make your sin disappear
And you will never have to be afraid ever again

(repeat chorus 3)

(repeat chorus 1 and 2)

Oh, in a second He will change your heart forever
No one can, no one can do it better
There's no other, so when's it gonna sink in
That you need Him, and He knows what you're thinking
(repeat same verse)

(repeat chorus 1)

(repeat chorus 2)

(repeat chorus 1)

(repeat chorus 2, fade) Hey, hey

EVERYBODY MUST GET SAVED

Well, you need Him, though you're trying to be so good
He'll save just like He said He would
You need the Lord at school, or work, or home
You need Him, 'cause you can't make it alone
Now, you don't wanna be the devil's slave
Everybody must get saved

Well, God gave us the gift of salvation
to make Heaven our final destination
He came to earth to show us how to live
And He gave us everything that He could give
Then He died and rose up from the grave
Everybody must get saved

Well, you need Him when
you're walking down the street
And so does everybody that you meet
No matter where you've been or what you've done
You need to turn to God's only Son
So please don't reject the gift He gave
Everybody must get saved

Well, the Bible says that everyone has sinned
It also says you must be born again
So bow your head, and give your heart to Him
And Jesus will forgive all of your sin
All the sin I had, He forgave
Everybody must get saved

ONE WAY UP TO HEAVEN

One way up to Heaven, and it's Jesus
He wants to lead ya, lead ya, lead ya, lead ya
One way up to Heaven, He wants to win ya
He died to save ya, save ya, save ya, save ya
One way up to Heaven, 'cause He loves ya
Yeah, Jesus loves ya, loves ya, loves ya, ya
One day up in Heaven, I wanna meet ya,
I wanna meet ya, I'll meet ya

Jesus died on the cross
Paid the ultimate cost
to save the lost

One way up to Heaven, and it's Jesus
He wants to lead ya, lead ya, lead ya, lead ya
One way up to Heaven, He wants to win ya
to save ya, to save ya
One way up to Heaven, 'cause He loves ya
Yeah, Jesus loves ya, loves ya, loves ya, loves ya
One day up in Heaven, I wanna meet ya,
I wanna meet ya, I'll meet ya

Since He provided the way
I'll follow Him everyday
and I will obey

One way up to Heaven
You know the devil
He'll try to get you to slip
He don't want you to get to Heaven
He'll try to fool ya
He'll try to trick ya, to trick ya

One way up to Heaven
So don't you listen
Don't let him trick ya, trick ya, trick ya, trick ya
One way up to Heaven
Don't let Him fool ya
Don't let Him get you to slip

Jesus died for all
saved us from the fall
Everyone, great and small

listen to His call
He's the only way
Turn to Him and pray
Each and everyday
Trust Him and obey

One way up to Heaven, and it's Jesus
He wants to lead ya, lead ya, lead ya, lead ya
(Jesus died for all, saved us from the fall)
One way up to Heaven, and it's Jesus
and He loves ya, loves ya, loves ya, loves ya
(Everyone, great and small, listen to his call)
One way up to Heaven, and it's Jesus
He wants to lead ya, lead ya, lead ya, lead ya
(Jesus died for all, saved us from the fall)
One way up to Heaven, and it's Jesus
and He loves ya, loves ya, loves ya, loves ya
(Everyone, great and small, listen to his call)

HELLO, GOD LOVES YOU

Chorus:

Hello, God loves you, let me tell you His name
Hello, God loves you, He'll erase all your shame
Hello, God loves you, you're the reason He came
Hello, God loves you, you will not be the same

I'm walking down the street
sharing with everyone I meet
Will you let me tell you why
I think you should give the Lord a try?

(repeat chorus)

He sent His Son to die
because of His love for you and I
My God is big and my God is strong
and He'll give your heart a brand new song

So let's bow down at His feet
'cause His love is strong, and His Spirit's sweet
Will you open your heart's door to Him?
Will you let Him wash away your sin?

Hello, hello, hello, hello *(fade)*

FISHERS OF MEN

A new day is dawning
It's time for you to go
You hear your Savior calling
you from the life you know
And the job He has for you
might be hard to comprehend (*comprehend*)
For the first time in history
you're gonna be fishers of men (*fishers of men*)

Fishers of men! Hallelujah!
Fishers of men! Amen!
You're gonna go out
and tell people 'bout Christ
and how they must be born again
Fishers of men! Hallelujah!
Fishers of men! Gotta reel them in
Men, women, boys and girls
spread the news through all the world

God sent Christ to save you,
now He's gonna send you too
He came down from Heaven, He's reaching others through me and you
Put your boat in storage, and put away your nets
because each and every person
hasn't heard the Gospel yet

Fishers of men! Hallelujah!
Fishers of men! Amen!
Fishers of men! Hallelujah!
Fishers of men! Amen!

Now the Great Commission's starting in
about to begin (*about to begin*)
Leave your past, and follow His commands
You're gonna be fishers of men
(*You're gonna be fishers of men*)

Fishers of men! Hallelujah!
Fishers of men! Amen!
Fishers of men! Hallelujah!
Fishers of men! Amen!

Fishers of men! Hallelujah!
Fishers of men! Amen!
Fishers of men! Hallelujah!
Fishers of men! Amen!

I WANNA KNOW WHAT GOD IS

I hear you talk about the Lord
I hear you talk about salvation
I need to see a little more
because I have some hesitation
Ooo..... Whoa

Now this sin that's in my life
Feels like the world upon my shoulders
But in you I see love shine
It keeps you warm as life grows colder

In my life there's been heartache and pain
I don't know if I can face it again
Show me how I can turn to God
to change this lonely life

I want to know what God is, I want you to show me
I want to feel what God is, I know you can show me, Ooo...

If all I get from you is talk
I'll never know if God is real
But if I see you walk the walk
You'll show me something I can feel

In my life, I need more than just words
I don't know if I believe what I've heard
Show me now, the difference He's made
to change this lonely life

I want to know what God is, I want you to show me
I want to feel what God is, I know you can show me
I want to know what God is, I want you to show me
And I wanna fee it (*I want to feel what God is*)
And I know (*I know you can show me*)

Let's talk about God (*I want to know what God is*)
The God that you know inside (*I want you to show me*)
Can you show me Jesus' love (*I want to feel what God is*)
Love I can't deny (*I know you can show me*)
I want to know what God is, I want you to show me
I wanna know Him too (*I want to feel what God is*)
I wanna know Him too, and I know and I know
I know you can show me
I want to know what God is, I wanna know...
I want you to show me, I wanna know, I wanna know
(*repeat to fade*)
