I GOTTA FEELING

I gotta feeling
That tonight's gonna be a God night
That tonight's gonna be a God night
That tonight's gonna be a praise God night

A feeling
That tonight's gonna be a God night
That tonight's gonna be a God night
That tonight's gonna be a praise God night

Chorus:
A feeling (Oo...)
That tonight's gonna be a God night
That tonight's gonna be a God night
That tonight's gonna be a praise God night

(repeat chorus)

Tonight's the night
Let's lift Him up
We're praising Jesus
Don't interrupt

Say Hallelujah
Unto our God
Get off your sofa
Give Him your.. all

I know that we'll have a ball
If we praise Him and serve Him
And give Him our all

I feel blessed and I wanna let it show
Let's go all out, sold out
And give Him all control

Lord fill my cup
Fill it up
Our worship service
Is takin' ... off

Devil's a clown
Let's shut him down
Let's lift our hands
And then we'll do it again

Let's praise Him, Let's praise Him,
Let's praise Him, and praise Him,
And praise Him, and praise Him, and lift Him up
And praise Him, and praise Him, and praise Him,
praise Him, praise Him
Let's praise Him, Let's praise Him, Let's praise Him

(repeat chorus twice)

Tonight's the night
Let's lift Him up (Let's lift Him up)
We're praising Jesus (Praise)
Don't interrupt (Don't interrupt)

Say Hallelujah (Say Hallelujah)
Unto our God (Unto our God)
Get off your sofa (C'mon)
Give Him your.. all

Lord fill my cup (Lord)
Fill it up (Fill it up)
Our worship service (Worship service)
Is takin'... off

Devil's a clown (Devil's a clown)
Let's shut him down (Shut down)
Let's lift our hands (Whoa)
And then we'll do it again

Let's praise Him, Let's praise Him,
Let's praise Him, and praise Him,
And praise Him, and praise Him, and lift Him up
And praise Him, and praise Him, and praise Him,
praise Him, praise Him
Let's praise Him, Let's praise Him, Let's praise Him,
praise Him, praise Him, praise Him

Here we come, here we go
Praisin' the Rock (Rock)
Praise Him high, praise Him low
Keep Him on top (Top)

In the church, on the streets
We never stop (Stop)
Spread it round, through your town
Around the clock (Clock)

PERFECT LOVE

These times I feel I've got to
kneel and pray
I've got to pray today
For the Holy Spirit to fill the heart of me
The love we share (Oh...)
with people everywhere
comes from Jesus Christ
and it starts with getting our hearts right

Chorus:

Once I ran from Him (I ran)
Now I run to Him
This perfect love He's given
shows that I have been forgiven
Wipe my tears and that's not nearly all
Perfect love (Oh...)
Perfect love

Now I know I've got to
share today
I've got to show the way
He put His perfect love inside of me
He made things right
And cares for me, and holds me tight
He loves you as you are today
But He doesn't want you to stay that way

(repeat chorus)

Don't spurn Him, please
Because He wants to set you free
He died because He loves you so
Let His love transform you, let it show!
Perfect love, (Oh...) perfect love (Oh...)
Perfect love, (Oh...) perfect love (Oh...)

Touch me Jesus, perfect love (touch me, perfect love)
Fill me Jesus, perfect love (fill me, perfect love)
Perfect love, (Oh...) perfect love (Oh...)
Perfect love, (Oh...) perfect love (Oh...)

(repeat to fade)

JESUS IS THE ROCK

When I was a little boy (When I was just a boy)
I heard the Lord call my name (When I was just a boy)
He said "now who do . . . (Who...)"
Who do you think you're serving?" (When I was just a boy)
So I asked Him in my heart (When I was just a boy, oo...)
Now He's my Lord and King
My Jesus loves me, He loves me, (Ahh...)
He showers all His grace upon me
Because Jesus is the Rock
Yeah, Jesus is the Rock of Ages
And he loves me
He loves me, loves me, loves me, loves me

When I was grown to be a man (Grown to be a man)
The Lord still called my name (Grown to be a man)
He said "now who do . . . (Who...)"
Who do you think you're reaching?" (Grown to be a man)
'Cause He died for every man (Grown to be a man, oo...)
So I tell 'em what He did for me
My Jesus loves me, He loves me, (Ahh...)
He showers all His grace upon me
Because Jesus is the Rock
Yeah, Jesus is the Rock of Ages
And He loves me
He loves me, loves me, loves me, loves me

Are you listening today? (Listening today)
Do you hear the Lord call your name (Listening today)
He says "now who do . . . (Who...)"
Who do you think you're serving?"
(Who do you think you're serving?)
You need to ask Him in your heart (Ask him in your heart)
And tell your neighbors and your (Oo...) family
My Jesus loves me, He loves me (Ahh...)
He showers all His grace upon me
Because Jesus is the Rock
Yeah, Jesus is the Rock of Ages
And He loves me
He loves me, loves me, loves me, loves me (Jesus is the Rock)
He loves me, loves me, loves me, loves me (Jesus is the Rock)
He loves me, loves me, loves me, loves me (Jesus is the Rock)
(Jesus is the Rock)
(Jesus is the Rock of Ages)
(repeat to fade)

AND THEN HE SAVED ME

Well, I heard that the Lord gave His life for me there on the cross
Then He spoke to my heart, and I knew that without Him, I'm lost
Then He showed me wrong from right
And so I stepped into His light
(Ooo...) I asked Him into my heart that night
And then He saved me

(Ooo...) Each time I praise Him I can't wait to praise Him again
And I want to let you know that there is no better friend
'Cause He gave me a heart that's new
And He shows me what to do
(Ooo...) And I know that He loves you too
Because He saved me

He loves me in a way that I've never been loved before
And now I'm gonna praise Him, 'cause I'm gonna live forevermore (Ooo...)

(Ooo...) I knelt at the altar, and I gave Him everything that I had
And now Jesus lives in me, and He makes me so glad
He's my Saviour, and He's my guide
And always He's right by my side
(Ooo...) I feel so happy sometimes I cry
Because He saved me

(Ahhh...)

He's my Savior, and He's my guide
And always He's right by my side
(Ooo...) I feel so happy sometimes I cry
Because He saved me
Because He saved me
Because He saved me

So you're a Christian and you want to know more
You want to know God better than you did before
You open your Bible and you hear from the Lord
So read it, just read it
You want to love Him, want to follow His plan
And if you read your Bible then you'll understand
You want to serve God, better do what you can
So read it - if you want to serve God just read it (read it)

Read it (read it),
Memorize it and repeat it
Study your Bible every day
It doesn't matter what people say
Just read it (read it), just read it (read it)

The Bible's interesting, the Bible is fun
Reading the Bible is for everyone
You learn about the Father and the Spirit and the Son
So read it, just read it
There's lots of stories and each one of them's true

There's lots of good advice so you'll know what to do
It's always exciting and there's always something new
So read it

SERVICE TIME

Service time
Come in through the doors, and forget all the cares of the world
Service time
Time to celebrate the Lord with every boy and every girl
Service time
Teachers teaching Sunday school, let's wrap it up
and get them in here
Service time
Time to draw close to the Lord while He is near

Chorus:
Worship God, 'cause He's still on the throne
Jesus lives, He rolled away the stone
Praise His name until He takes us home
Takes us home...

Service time
Music is beginning, and we all need to worship some
Service time
This pew won't be open 'til your brothers or your sisters come
So put down all your donuts
And finish conversations that you had with all your friends
Service time
Try to find a seat before the sermon begins and ends, yeah

(repeat chorus)

Service time
Finish all your coffees, stay awake 'till the sermon's done

(repeat chorus twice)

Service time
Try to find a seat before the sermon begins and ends

BE HOT OR BE COLD

You, on the fence
Can't decide who you serve
Yeah you, you're lukewarm
You'll get what you deserve
And you think you don't
have to be so devout
You should know
that God will spit you out

Chorus 1:

So be hot or be cold
Say yes or say no
You're in and you're out
You're up and you're down
You know wrong from right
There's black and there's white
It's time to decide
Get out, or inside

Chorus 2:

(You) You don't want to quite commit, no
(You) You're not sure just where you fit, so
Be hot or be cold
Say yes or say no
You're in and you're out
You're up and you're down

You used to be
so on fire for the Lord
But you lost the thirst
and the love you had at first

Used to pray (pray), used to sing (sing)
You forgot (You forgot) who is King (Who is King)
You should know (You should know)
that Christ is everything

(repeat chorus 1)

(repeat chorus 2)

Listen to the Savior
Let Him change your wrong behavior
You're on a roller coaster
Let's get off this ride

You, on the fence
Can't decide who you serve

(repeat chorus 1 - twice)

(repeat chorus 2)

LIVING WATER

Jesus sat by the well, He was thirsty that day
Samaritan woman was walkin' that way
She had the bucket, but He had the water
That water that makes all your thirst go away

Living water, keep on flowin'
Lord of holy light, won't you keep on shinin' on me?
Living water, keep on flowin'
Wash away my sin. Won't you keep on flowin' through me?
Living water, keep on flowin'
Spirit, won't you fall? Shower all your blessing on me
Yeah, keep on shinin' your light, gonna make everything
Living water, gonna make everything all right
And I gave Him my worries, so the devil can't hurt me at all

Well, if there's stress, I don't care, don't make
no difference to me
I've got a Savior that won't let me down
Yeah, I'd like to hear some praise across the land
and dance before the Lord
And I'll be spreadin' the love of Christ all 'round

Living water, keep on flowin'
Lord of holy light, won't you keep on shinin' on me?
Living water, keep on flowin'
Wash away my sin. Won't you keep on flowin' through me?
Living water, keep on flowin'

Spirit, won't you fall? Shower all your blessing on me
Yeah, keep on shinin' your light, gonna make everything
Living water, gonna make everything all right
And I gave Him my worries, so the devil can't hurt me at all

I'd like to hear some praise across the land
Living water, won't you flow from Jesus' hand?
From His hand, (hand) all across the land (living water)
Living water, gonna flow through my heart my whole life long

I'd like to hear some praise across the land
Living water, won't you flow from Jesus' hand?
From His hand, (hand) all across the land (living water)
Living water, gonna flow through my heart my whole life long

I'd like to hear some praise across the land
Living water, won't you flow from Jesus' hand
From His hand, (hand) all across the land (living water)
Living water, gonna flow through my heart my whole life long
(repeat to fade)

SINCE MY SINS ARE GONE

Here's the thing, Jesus is my friend
He is real, and His love never ends
Yeah, yeah
Since my sins are gone

He walks beside me all the time
I am all His, and He is mine
Yeah, yeah
Since my sins are gone

And all you'll ever hear me say
Is how I know He died for you (you)
That's all you'll ever hear me say

Chorus:
Since my sins are gone
I'm alive for the first time
He's leading me on, yeah, yeah
Thanks to Him, He is all that I want
Since my sins are gone

How can I put it? His love is strong
I wanna worship and sing a praise song
Yeah, yeah
Since my sins are gone

To you, I only want to say
That He is reaching out to you (you)
His love will make you feel this way

(repeat chorus)

So here's your chance, don't blow it
He'll change your heart, change your mind
He will fill you with His Spirit
again and again and again and again

Since my sins are gone (Since my sins are gone)
I'm alive for the first time
He's leading me on, yeah, yeah
Thanks to Him (Thanks to Him), He is all, He's all that I want
I'm alive for the first time
He's leading me on, yeah, yeah
Thanks to Him (Thanks to Him), He is all (He is all)
Can't you see (Can't you see), He is all, He's all that I want
Since my sins are gone
Since my sins are gone
Since my sins are gone

SEND GLORY DOWN

We're praising Jesus with our heart, soul and mind
We're reaching up to Heaven all of the time
Send glory down
Yeah, yeah, yeah, yeah, yeah, oo...
Lord bless us once more, just like you've blessed us before
Send glory down

Pray and repent at the foot of the cross
He'll send the Spirit like at Pentecost
Send glory down
Yeah, yeah, yeah, yeah, yeah, oo...
Lord bless us once more, just like you've blessed us before
Send glory down

Chorus:
Send glory down, Lord
Send glory down, Lord
Send glory down, Lord
Send glory down

Just like the angels party 'round the throne
We're gonna praise and honor God alone
Send glory down
Yeah, yeah, yeah, yeah, yeah, oo...
Lord bless us once more, just like you've blessed us before
Send glory down

Come, Holy Spirit, you are welcome here
We're drawing close to you, so Lord, draw near
Send glory down
Yeah, yeah, yeah, yeah, yeah, oo...
Lord bless us once more, just like you've blessed us before
Send glory down

(repeat chorus)

Rebuke the devil, he's a snake in the grass
Almighty God will kick him out of here fast
Send glory down
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, oo...
Lord bless us once more, just like you've blessed us before
Send glory down

Lord, you have blessed us in an awesome way
Pour out your Spirit on your church today
Send glory down
Yeah, yeah, yeah, yeah, yeah, oo...
Lord bless us once more, just like you've blessed us before
Send glory down, down, down, down, down, down
Lord bless us once more, just like you've blessed us before
Send glory down
