## CHANGE

And it's a sad picture, when your need hits you  
Somebody notices you messed up again  
You know you need a change, your habits rearranged  
You're stuck in misery and you're getting sick of it

But I believe that Jesus' love is true  
and He's done everything to see you through

Because your life can change, can you feel it now?  
These walls that you've put up to hold you back can fall down  
It's your salvation, and God will come if you will let Him in

You'll sing hallelujah!  
You'll sing hallelujah!  
Oh, oh

When you feel outnumbered, defeated and cornered  
Sometimes it seems like life just ain't fair  
He'll make you stronger now, you're lost but you'll be found  
Our God is bigger than your problems, He's never scared

You can walk away and say you can beat this  
But there's something in your eyes says that you need this

'Cause your life can change, can you feel it now?  
These walls that you've put up to hold you back can fall down  
It's your salvation, and God will come if you will let Him in

You'll sing hallelujah!  
You'll sing hallelujah! Oh, oh

So if you'll get down upon your knees  
and confess your sins, and just believe  
And the battle was won on the day Jesus died  
Will you let Him change your life tonight?

Because your life can change, can you see it now?  
These walls that you've put up to hold you back can fall down  
It's your salvation, lift your head up, and let the Lord in

Let's sing hallelujah!  
Let's sing hallelujah!  
Hallelujah!

## **SIN STINKS**

We love God  
And He hates sin  
And if you mess around with it  
You just can't win  
And so it goes  
Till the day you die  
This thing they call sin  
It's gonna make you cry  
With every sin, your conscience shrinks  
One thing for sure

*Chorus:*  
(Sin stinks)  
Sin stinks, yeah yeah  
(Sin stinks)  
Sin stinks, yeah yeah  
(Sin stinks)  
Sin stinks, yeah yeah  
(Sin stinks)  
Sin stinks, yeah yeah

Jesus Christ, He came and died  
Because He loves you, yes He does  
In spite of your pride  
He'll cleanse your sin  
He'll take you in  
then you will live  
in joy with Him  
I don't care what the devil thinks  
All I can say is

*(repeat chorus)*

Shoo doo bop  
Shoo doo bop  
Shoo doo bop, shoop shoop  
Shoo doo bop  
Shoo doo bop

The Bible says  
In red and black ink  
Sin leads to death

(Sin stinks)  
Sin stinks, yeah yeah  
(Sin stinks)  
Sin stinks, yeah yeah  
Sin stinks, Sin stinks!  
Yeah yeah (Sin stinks)  
Sin stinks, Sin stinks!

Yeah yeah (Sin stinks)  
Sin stinks, Sin stinks!  
Yeah yeah (Sin stinks)  
Sin stinks, I mean it stinks!  
Yeah yeah (Sin stinks)  
Sin stinks, Sin stinks!  
Yeah yeah (Sin stinks)  
Sin stinks, Sin stinks!  
Yeah yeah (Sin stinks)  
Sin stinks, Sin stinks!  
Yeah yeah (Sin stinks)  
Sin stinks, Sin stinks!  
Yeah yeah (Sin stinks)  
Sin stinks, Sin stinks!  
Yeah yeah (Sin stinks)  
Sin stinks, Sin stinks!

## **HE WON'T LEAVE ME**

Da da da da, da da da da  
Da da da da da da

(Da da da da da da)  
I don't know if I can tell you any louder  
How many times has God helped me out here  
His love is so amazing

(Da da da da da da)  
I have been as lost as a soul can be  
But the Lord is with me through everything  
And He picks up all my pieces  
When my heart is broken

(Da da da da da da, etc)  
He won't leave me  
He won't leave me  
He'll never leave us or forsake us  
And no matter where we are, He's always there  
He won't leave me

How did I become a believer?  
It happened when I heard about a love like this  
I found out He died for me

Now I'm always singing, "Glory in the highest!"  
And He is with me in the times that are the hardest  
He holds me when I need it  
And He keeps His promise

(Da da da da da da, etc)  
He won't leave me  
No, He won't leave me (won't leave me)  
He'll never leave us or forsake us

And no matter where we are, He's always there  
He won't leave me

So I need to say out loud  
How wonderful Christ really is to me  
I can't be without  
He's the one who holds me in His hand  
And I need Him  
He loves me

Da da da da da  
Da da da da, da da da da  
Da da da da da (etc)  
He, He won't leave me

Jesus, He won't leave me (No, He won't leave me)  
He won't leave me (He's always there)  
He'll never leave us or forsake us  
And no matter where we are, He's always there  
He won't leave me  
He won't leave me  
He'll never leave us or forsake us  
And no matter where we are, He's always there  
He won't leave me (won't leave me)  
He, He won't leave me

## **LIVE LIKE THE SAVIOR**

Oh, yeah, yeah

Sometimes we fall down and can't get back up  
We're hiding behind trouble that's tough  
But Jesus showed us His grace is enough  
It's not too late, it's not too late

Our hearts are hungry for a love that fills us  
We try to find it in things that thrill us  
If we could just see that He is the one  
Then we would try to live like Jesus  
and do the things that He has done

Yeah... gotta start  
Looking at the one who has given us our time here  
Give Him all we got, 'cause we gotta start livin' it  
The harvest is ripe, and it's ready for pickin'  
Gotta live like the Savior

*Chorus:*  
We only got 86,400 seconds in a day  
to love our fellow man or throw it all away

Gotta tell 'em that He loves 'em while we got the chance to say  
Gotta live like the Savior

When He ascended into the skies  
He sent us out to e-van-gel-ize  
And God is watching how we live out our lives  
So let us share His love with others  
and tell 'em Jesus is alive

Yeah... gotta start  
Looking at the one who has given us our time here  
Give Him all we got, 'cause we gotta start livin' it  
The harvest is ripe, and it's ready for pickin'  
Gotta live like the Savior

*(repeat chorus)*

Like the Savior oh...  
Like the Savior  
Like the Savior oh...  
Like the Savior

*(repeat chorus)*

Hey! Mmm...

We gotta tell how all our sins are gone  
We gotta see their needs and meet 'em head on  
Say He can make it right when it's dead wrong  
'Cause people everywhere need lovin' on

Yeah... gotta start  
Looking at the one who has given us our time here  
Give Him all we got, 'cause we gotta start livin' it  
The harvest is ripe, and it's ready for pickin'  
Gotta live like the Savior

*(repeat chorus)*

Like the Savior oh...  
Like the Savior  
Like the Savior oh...  
Like the Savior

*(repeat chorus)*

## **GOD'S HOUSE**

Ow, this is God's house  
He's mighty, mighty  
We're shoutin' His praises out  
This is God's house  
He's holy, Jack

And that's a fact  
One day He's comin' back  
Ow, this is God's house  
Well, we're together everybody knows  
This is how the story goes

Our God has got everything  
to meet the needs of every man, yeah yeah  
He cannot lose, and so we choose  
to stand and sing, kneel and pray, worship Him  
Ow, and we raise our hands!

'Cause this is God's house  
He's mighty, mighty  
We're shoutin' His praises out  
This is God's house  
Ow, He's holy, Jack  
And that's a fact  
One day He's comin' back  
Ow, this is God's house  
Yeah, He's the one, the only one  
Who gave us His only Son

The clothes you wear don't mean a thing  
Come as you are, and praise our King, yeah, yeah  
You're welcome here, so join us, please  
We're gonna bow before Him on our knees

'Cause this is God's house  
Yeah, He's mighty, mighty  
We're shoutin' His praises out  
This is God's house  
He's holy, Jack  
And that's a fact  
One day He's comin' back, ow

Lift Him up, lift Him up now  
Lift Him up, lift Him up now  
Lift Him up, lift Him up now  
Lift Him up, lift Him up, up, up

Lift Him up, lift Him up now  
Lift Him up, lift Him up now  
Lift Him up, lift Him up now

Ow, God's house  
Yeah He's mighty, mighty  
We're shoutin' His praises out  
Ow, God's house  
Yeah, He's the one, the only one  
Who gave us His only Son, yeah

Lift Him up, lift Him up, lift Him up now  
Lift Him up, lift Him up, lift Him up now  
Lift Him up, lift Him up, lift Him up now  
Lift Him up, lift Him up, lift Him!  
*(repeat above four lines)*

This is God's house!

## **DOWN AT THE ALTAR**

Early in the mornin', just about service time  
Over at the church house the choir's soundin' fine  
Preacher preached the Gospel, I didn't feel at ease  
So I went to the altar, and I fell down on my knees

*Chorus:*

Down at the altar, fell at His feet  
That's where I accepted the Lord  
And His Spirit feels so sweet

When they meet with Jesus, people just gotta smile  
Sunday at the church house, they're praisin' in the aisle  
Ever since that Sunday, I've been a happy boy  
'Cause I got close to the Lord, and He filled me with joy

*(repeat chorus - twice)*

You don't need a penny just to know the Lord  
He gives free salvation that we can all afford  
So if your heart is heavy with worry and with sin  
Go down to the altar, and ask the Savior in

*(repeat chorus to fade)*

## **THANK GOD, I'M A PREACHER BOY**

Well, life at the church ain't very laid back  
Ain't much an old preacher boy like me can't hack  
I know my Bible from the front to the back  
Thank God, I'm a preacher boy

Well the minister's life never did me no harm  
I preach with conviction and encourage with charm  
My people's prayers are like a shot in the arm  
Thank God, I'm a preacher boy

*Chorus:*

Well, I got me a fine church, I got me a Bible  
When the sun's comin' up I pray for revival  
Seekers keep on comin' down the aisle  
Thank God, I'm a preacher boy

When it's offering time, I pass around the plate  
I love takin' offerings, it's really great

At the potluck, I can't believe what I ate  
Thank God, I'm a preacher boy

I'd preach my sermons all day if I could  
But the crowd and my wife wouldn't take it very good  
So, I preach when I can, let 'em go when I should  
Thank God, I'm a preacher boy

*(repeat chorus)*

Yeah, I marry their kids and I bury their dead  
And dedicate babies with a pat on the head  
Sunday afternoons, I go straight to bed  
Thank God, I'm a preacher boy

Well I wouldn't trade my life for diamonds or fame  
I don't preach for money or preach for acclaim  
I just preach Jesus and lift up His name  
Thank God, I'm a preacher boy

*(repeat chorus)*

Well some days are better and some days are worse  
And some days I feel like I'm gonna need a nurse  
If no one comes forward, we'll sing another verse  
Thank God, I'm a preacher boy

Well, I'm gonna preach the Word till the day I die  
And then I'll go up to my mansion in the sky  
I'll preach some more in the sweet by and by  
And thank God I'm a preacher boy

*(repeat chorus)*

## **HEY SOUL FIXER**

Hey, hey, hey  
Your blood, red stains  
On the cross, for me they still remain  
I know you won't forget me  
because your mercy let me come inside  
The sweet moving  
of your Spirit in every single thing I see  
I knew I was invited  
You're the one I have decided  
to serve my whole life

*Chorus:*

Hey, Soul Fixer  
You've got the elixir for my weary soul

You told me so  
You brought me back to life, you know  
Hey, Soul Fixer  
I just wanna lift my hands in praise to you  
tonight

Hey, hey, hey

Just in time  
I'm so glad you laid it on the line for me  
You gave my life direction  
and show my heart affection I cant deny-y-y  
I'm so, so blessed  
My heart is bound to beat right out my untrimmed chest  
I believe in you  
You're my Lord, and you're my Savior  
and you're making my behavior sanctified

*(repeat chorus)*

Well you're my God and King  
Serving you's the only thing I need  
You filled my heart with love  
You're the only one I'm singing of, you see  
I can live for Jesus, finally  
In fact, I'm happy as can be  
I want the world to see you rescued me

*(repeat chorus)*

Hey Soul Fixer  
I just wanna lift my hands in praise to you  
tonight

Hey, hey, hey  
Tonight  
Hey, hey, hey  
Tonight

## **PRAISE SONG**

Head to the church house  
where we all go to praise Jesus for a while  
Without you, life's harder, even I know that

You died just for me, and it's easy to see  
That I'm happy in your hands  
Your love for me is what I hold onto

I read on Bible pages  
I am amazed you say this  
When I praise you, then you make your home in me

*Chorus:*

So I'm gonna sing you a praise song  
'cause you do deserve it  
'cause you're worthy, you see  
Yes I'm gonna sing you a praise song  
'cause you tell me it's just how Heaven is  
if I'll live your way  
and I'm gonna need you to stay  
'cause all I need is Jesus  
I don't need a better reason to sing you a praise song today  
Today-ay

I learned the hard way  
If I don't praise, I won't make it here  
My heavy heart sinks deep down without you  
But your holy words, they help with hurts  
You are all that I thought you were  
I look to you on high

I live just to please you  
I get all this and Heaven too  
I'm happy because you love me as I am

*(repeat chorus)*

Promised me you'd never leave me  
You help me see with your light, you guide me  
And I believe you're the way  
And you love me, that's why I say

I will sing you a praise song  
'cause you do deserve it  
'cause you're worthy, you see  
Yes I'm gonna sing you a praise song  
'cause you tell me it's just how Heaven is  
I'm gonna sing you a praise song  
'cause you do deserve it  
'cause you're worthy, you see  
Yes I'm gonna sing you a praise song  
'cause you tell me it's just how Heaven is  
if I'll live your way  
and I'm gonna need you to stay  
'cause all I need is Jesus  
He's the one that truly frees us  
So I'm living on my knees  
And I believe that there's a reason  
to sing you a praise song today  
Today

## WALK HIS WAY

Hey there believer, you're a blessing receiver  
Gotta listen to what Jesus say  
'cause you ain't seen nothin' till you're touched by His lovin'  
then you're sure to be changin' your ways  
I met a youth pastor, so I went up and asked him  
How to find all the love I missed  
So he told me 'bout Jesus, and he gave me a reason  
and the Bible told me how to live like this

Hey there, Christian, at the job or at school  
Do you act like the Savior would there?  
When you're out late at night, did you stand for the right  
or did you act like you didn't care?  
When you got the chance at the high school dance  
Did you say what God wants you to say?  
'cause the Lord ain't foolin'  
And He knows what you're doin'  
And He told us to live it today  
When He told us to

Walk His way, walk His way  
Walk His way, walk His way  
Walk His way, walk His way  
Walk His way, walk His way  
That's how we should live!  
Like this

School girl walkin' down the hall, giving all  
Being what God wants her to be  
There was three young ladies standing at their locker  
makin' fun of her constantly  
But she gave God glory, and she told them the story  
how to find all the love they missed  
Then the girls found Jesus, and today they're believers  
'cause the Bible told her how to live like this

Hey there, Christian, everywhere that you go  
Do you act like the Savior would there?  
When you're out on the street, did greet who you meet  
or did you act like you didn't care?  
Do you love one another, all you sisters and brothers  
Do you say what God wants you to say?  
'cause the Lord ain't foolin'  
And He knows what you're doin'  
And He told us to live it today  
When He told us to

Walk His way, talk His way  
Walk His way, talk His way  
Walk His way, talk His way  
Walk His way, talk His way  
That's how we should live!  
Like this
