BORN TO BE KING

Get your camel running
Head out on the highway
Lookin' for a baby
who is gonna show us the way

Yeah, God really made it happen
Reach the world with His love and grace
Blot out all our sins at once and
save the human race

I like angels singing
Glory in the highest!
Go to Bethlehem
and you'll see how we are all blest

Yeah, God really made it happen
Reach the world with His love and grace
Blot out all our sins at once and
save the human race

Like the angels will sing
He was born, born to be King
Lord of everything
Let the heavens ring!
Born to be King
Born to be King

Get your camel running
Head out on the highway
See the baby Jesus
who is gonna show us the way

Yeah, God really made it happen
Reach the world with His love and grace
Blot out all our sins at once and
save the human race

Like the angels will sing
He was born, born to be King
Lord of everything
Let the heavens ring!
Born to be King
Born to be King

LISTEN TO THE ANGELS

Don't you hear 'em singing
shepherds in the fields?
Angels, gonna tell you 'bout the news
Bringing tidings of great joy
Whoa, 'bout a baby born today

What the people need is a way to get to heav'n
Jesus came to earth to show us how
He's got a message, for me and you
Angels gonna tell you 'bout it now

Chorus:

Whoa, whoa... Listen to the angels
Whoa, whoa... Listen to the angels
Whoa, whoa... Listen to the angels
In the sky

Glory now, in the highest, glory to our God
Listen, shepherds, please don't be afraid
Unto us a child is born
Oh, He's gonna wash our sins away

God has been so good to you and
He's been so good to me
So go to Bethlehem and celebrate
He's the Savior, Christ the Lord
Oh, shepherds, hear the music play

(repeat chorus)

In the fields where you are watching
There are angels in the sky
And the heavenly host is singing
Telling you the happy news
While they praise the Lord on high...

(repeat chorus to fade)

HEY MARY

Hey Mary, hey Mary, hey
Mary, Joseph
Hey Mary, hey Mary, hey
Mary and Joseph

She's the kinda girl that says yes to God
Even when she's afraid and surprised and awed
No room in the inn, what a way to begin

Giving birth to the one who forgives our sin
Donkeys, cattle, horses, saddles
Mary lays the baby in a bed of hay
while the cattle moo, and the donkeys bray

I'm just sippin' on chamomile
Watchin' shepherds out in the field
Angels sing and dance up in the sky
Saying "Go see the Christ child"

All the angels say
Hey Mary, hey Mary, hey
Mary, Joseph
Hey Mary, hey Mary, hey
Mary and Joseph
Hey Mary, hey Mary, hey
Mary, Joseph
Hey Mary, hey Mary, hey
All the cows and the sheep in the back

Swaddling clothes He lies upon
Unto us a child is born
And then the wise men show up with their gifts
'Cause the star showed right where the baby is

No matter what they say He is the one
He is the Messiah, God's only Son
He came to bring us all salvation
And we really love Him

Wise men say
Hey Mary, hey Mary, hey
Mary, Joseph
Hey Mary, hey Mary, hey
Mary and Joseph
Hey Mary, hey Mary, hey
Mary, Joseph
Hey Mary, hey Mary, hey
All the cows and the sheep in the back

I'm just sippin' on chamomile
Rejoicin' with the shepherds out in the field
Glory to God and peace on earth
We celebrate His birth

All believers say
Hey Mary, hey Mary, hey
Mary, Joseph
Hey Mary, hey Mary, hey
Mary and Joseph
Hey Mary, hey Mary, hey
Mary, Joseph
Hey Mary, hey Mary, hey
Mary and Joseph
Hey Mary, hey Mary, hey
Mary, Joseph
Hey Mary, hey Mary, hey
Mary and Joseph
Hey Mary, hey Mary, hey
Mary, Joseph

Hey Mary, hey Mary, hey
All the cows and the sheep in the back

YOU'VE LOST THAT CHRISTMAS FEELIN'

You never sing along
when there are carolers at your door
And there are no Christmas cards
coming from your house anymore
Now as a kid you enjoyed it (*baby*)
But baby, now you avoid it

Chorus:
You've lost that Christmas feeling
Whoa, that Christmas feeling
You've lost that Christmas feeling
Now it's gone...gone...gone...whoa

You used to have such joy
when the holidays came around
But now this hectic time
always seems like it gets you down
Christmas is no time for crying (*baby*)
'cause Christmas is more than shopping and buying

(repeat chorus)

Baby, Jesus was born to
bring new life to you
You should just focus on Him
like you used to do, yeah
He showed His love, His love
to us on Christmas Day
So don't...don't...don't...
let it slip away

I said, baby (*baby*)
Baby (*baby*)
I'm beggin' you please (*please*),
I'm beggin' you please (*please*)
Christmas is love (Christmas is love)
Christmas is love (Christmas is love)
So bring it on back (*So bring it on back*)
So bring it on back (*So bring it on back*)

You've got to
bring back that Christmas feeling
Whoa, that Christmas feeling
Bring back that Christmas feeling
'cause it's wrong, wrong, wrong
to let the joy be gone, whoa
(repeat to fade)

MARY AND JOE

Little ditty 'bout Mary and Joe
Two Israelite folks that lived a long time ago
Joe made a living as a carpenter
Mary would soon wonder why God chose her

They were engaged to be husband and wife
Then an angel appeared to her, and changed their life
Angel said, "Hey Mary, you are a special girl
and you'll be the mother of the Savior of the world"
And Mary said

Oh yeah, God be praised
I am His handmaiden all of my days, she said
Oh yeah, I won't be afraid
And so they both trusted in the promise God made
They obeyed

They went to Bethlehem in nine months time
'cause Joseph descended from David's line
Well you know they got there
and they tried to check in
Got stuck in a barn, there was no room in the inn
And Joe said

Oh yeah, this is alright
We're having our baby this Bethlehem night
Oh yeah, here's some swaddling clothes
So Jesus was born to Mary and Joe

Angels rock, angels roll
Tell the shepherds how He came to save our souls
Shout praise to Heaven as loud as you can
Go spread the news to kids and women and men

Oh yeah, the story goes on
Long after the shepherd's and the angel's song
Oh yeah, God's love rolls on
Because of His Son, our sins are all gone

Little ditty 'bout Mary and Joe
Two people who obeyed God a long time ago

SHAKE THOSE PRESENTS

Aw, everybody, get on the floor, by the tree
Try to guess what they got for you and me

Chorus:

Shake shake shake, shake shake shake
Shake those presents, shake those presents
Aw, shake shake shake, shake shake shake
Shake those presents, shake those presents

Aw, they wrapped all those presents very well
But if I shake 'em up, I can tell

(repeat chorus, with "whoa, whoa yeah" at the end)

Shake shake, shake shake!
Aw, shake shake, shake shake!

(repeat chorus)

Shake shake, shake shake,
shake those presents
Aw, this one is heavy
Shake shake, shake shake,
shake those presents
Aw, could be expensive
Shake shake, shake shake,
shake those presents
Aw, I can't wait till Christmas
Shake shake, shake shake,
shake those presents
This one's from momma now *(fade)*
Shake shake, shake shake,
shake those presents

THREE WISE MEN

Three kings, good news
We're searching for the King of the Jews
Camels, shiny star *(shiny star)*
It's leading us from where we are
We follow it just as far as we can
To see the baby Jesus, 'cause we're three wise men

Frankincense, gold and myrrh
We'll give 'em to the baby carpenter
We come from the East
We're all riding on a smelly beast

We wanna see Him just as soon as we can
We're worshipping Jesus, 'cause we're three wise men

Herod's wise men
They tell us to go to Bethlehem
We'll warn Mary and Joe
so they'll know it's time to go
We'll worship Him just as much as we can
We'll go home rejoicing, 'cause we're three wise men

CHRISTMAS PARTY

Christmas party, bring a gift if you want to
Come if you want to, stay if you want to
Show up for me, and I'll show up for you

At Christmas time there's so much going on
so much and so little time
Though you've got one every night
I sure hope you'll come to mine

Christmas party, bring a gift if you want to
Come if you want to, stay if you want to
Show up for me, and I'll show up for you

There's one at work and another at church
and one with my Sunday school class
Somehow it never lets up
until the season is past

Christmas party, bring a gift if you want to
Come if you want to, stay if you want to
Show up for me, and I'll show up for you

Lots of refreshments and fellowship too
My party will be lots of fun
And we won't ever forget
We're celebrating God's Son

Christmas party, bring a gift if you want to
Come if you want to, stay if you want to
Show up for me, and I'll show up for you

Oh, oh, Christmas party, bring a gift if you want to
Come if you want to, stay if you want to
Show up for me, and I'll show up for you

CHRISTMASTIME BLUES

Well, I'm gonna raise a fuss, I'm gonna raise a holler
because Christmas these days
seems to be about dollars
Well, commercials say to spend all your money
at the mall
But, the Bible says, "Love is the greatest gift of all"
Love one another is what we all should do
'cause Jesus is the cure for the Christmastime blues

Well every night there's another Christmas party
All the church and school functions
are making me tardy
Well, all through the season, I never stand still
But the angels sang "Peace on earth, and good will"
Make room for the Christ child is what we oughta do
'cause Jesus is the cure for the Christmastime blues

You know I don't wanna focus on holiday frustrations
because Jesus was born to bring us all salvation
Well, it's not about the presents, it's not about me
It's all about Jesus, who came to set us free
Focus on the Lord, is what we're gonna do
'cause Jesus is the cure for the Christmastime blues

A CHRISTMAS LIKE THIS

This year at Christmas, it was all meant to be
being together, with family
That holiday feeling that we've had before
Sometimes my relatives make me crazy
But I'm glad they're all here with me now

A Christmas like this
Some people wait a lifetime
for a Christmas like this
Exchanging gifts and laughter
with the loved ones I've missed
Oh, I thank the Lord it's happening to me
Some people wait a lifetime
for a Christmas like this

Everything changes, but Jesus remains
Why He should love me I can't explain
Well, He is the reason that we celebrate
He can make the joy last forever
And I'll cherish all the love we share
on a Christmas like this

Some people wait a lifetime
for a Christmas like this
Exchanging gifts and laughter
with the loved ones I've missed
Oh, I thank the Lord it's happening to me
Some people wait a lifetime
for a Christmas like this

Jesus gave the greatest love of all
I surely know that He will catch me when I fall (*fall*)
So let me tell you this

That Jesus came to bless us with a Christmas like this
No need to search a lifetime
for a Christmas like this
The greatest gift at Christmas is the love that He gives
(Ahh..) Oh, I thank the Lord it's happening to me
So simply turn to Jesus
for a Christmas like this, oh
(Christmas like this) like this
(Christmas like, ahhh...) Oh, I thank the Lord
it's happening to me
So simply turn to Jesus for a Christmas like this,
oh like this
