GET THIS SEASON STARTED

Time's running out,
so we better get this season started
Time's running out,
so we better get this season started

Get this season started 'cause it's Christmas time
Every year it seems that I'm always behind
mailing Christmas cards to all of my friends
Hope I don't get cards from people I didn't send
Christmas music playing, hear some carolers sing
Love this time of year, if you know what I mean

Time's running out,
so we better get this season started (time's running out, time's flyin')
Time's running out,
so we better get this season started

Decorate the house, gotta set up the tree
Put up all the stockings,
make sure there's one for me
Every Christmas season,
seems I always gain weight
Must be from the cookies and the candy I ate
Every other night, there's a party somewhere
Wouldn't it be nice to have some time to spare?

Time's running out,
so we better get this season started (time's running out, time's flyin')
Time's running out,
so we better get this season started
Get this season started!

Going to the mall to get my shopping done
Trying to find a parking spot ain't any fun
Church has got a lot of Christmas stuff going on
Kids' programs and choir rehearsing their songs
Can't forget the reason for all of these things
to celebrate the birth of the King of kings (kings)

Time's running out,
so we better get this season started (time's running out, time's flyin')
Time's running out,
so we better get this season started (time's running out, time's flyin')
Time's running out,
so we better get this season started (time's running out, time's flyin')
Time's running out,
so we better get this season started
Get this season started!
Get this season started, right now!
Get this season started!
Get this season started, right now!

I'M GETTIN' SOMETHING GOOD

Woke up this mornin' feelin' fine
Got Christmas presents on my mind
I've been good all year, like I knew I should,
Whoa yeah
(Oo..) Somethin' tells me I'm gettin' something good
(Somethin' tells me I'm gettin' something)

(Oo..) I made a long list, I'm not too shy
(Oo..) of all kinds of things everyone can buy
(Oo..) and passed it out to everyone in my neighborhood (everyone in my neighborhood)
(Oo..) Somethin' tells me I'm gettin' something good (somethin' tells me I'm gettin' something)

(Ah..) But then I heard of the birth of Christ
(Oo..) how He came down to give me eternal life
(Ah..) Now I know about His love
Now it's the only gift that I'm dreamin' of...
It's the only gift that I'm dreamin' of

(Oo..) Now every day He holds my hand
(Oo..) I wanna spread the news all over the land
(Oo..) How God gave the greatest gift anybody could (the greatest gift anybody could)
(Oo..) Somethin' tells me I'm gettin' something good
(somethin' tells me I'm gettin' something, ahhh)

(Oo..) Now every day He holds my hand
(Oo..) I wanna spread the news all over the land
(Oo..) How God gave the greatest gift anybody could (the greatest gift anybody could)
(Oo..) Somethin' tells me I'm gettin' something good (somethin' tells me I'm gettin' something ahhh)
(Oo..) Somethin' tells me I'm gettin' something good (somethin' tells me I'm gettin' something ahhh)
(Oo..) Something good, oh yeah, something good
(somethin' tells me I'm gettin' something)
(Oo..) something good, something good, something good
(fade)

MANGER ZONE

No room in the inn
Stable's where they had to go (go)
Star of Bethlehem
shining on the Child below

Born into the Manger Zone
Baby Jesus in the Manger Zone

Angels in the sky
say "Peace on earth, good will to men" (men)
Shepherds run to see
the baby born in Bethlehem

Angels in the Manger Zone
Shepherds worship in the Manger Zone

Wise men came to see the new born King
because the star showed right where to go
They gave Him all the gifts they chose to bring
and everybody bowed down low (ohh, ah)

In a humble stable
Christ was born for you and me (me)
So we could rejoice
with Him for all eternity

Salvation in the Manger Zone
Jubilation in the Manger Zone
Christmas is the Manger Zone
Welcome to the Manger Zone
(repeat to fade)

MARY

Mary, Mary's baby
Mary, Mary's baby

Mary's baby (Mary's baby)
Mary, Jesus' mother tonight (Jesus' mother tonight)
Mary's baby (Mary's baby)
Mary, Jesus' mother tonight

(Gabriel said come on) (come on)
You will give birth to
(Come on) The Saviour of mankind
(Come on) You will name Him Jesus
He'll turn water to wine

Mary's baby (Mary's baby)
Mary, Jesus' mother tonight (Jesus' mother tonight)
(Jesus' mother tonight)
(Jesus' mother tonight)
You are highly favored (highly favored)
Your child will turn darkness to light

(Joseph said come on) (come on) to Bethlehem
(Come on) Where the bright star shines
(Come on) We may not find a place to stay
but a barn will do just fine

Mary's baby (Mary's baby)
Mary, Jesus' mother tonight (Jesus' mother tonight)
(Jesus' mother tonight)
(Jesus' mother tonight)
Mary, Mary's baby
Mary, Mary's baby
(repeat to fade)

SLEEPIN' ON A BED OF HAY

Sleepin' in a manger stall
Baby Jesus, who was born for all, yeah
What a humble way to begin
'cause there wasn't any room in the inn, no

Sleepin' on a bed of hay
The one who could take our sins away, ooh
Sleepin' on a bed of hay
The holy Child

Left His throne in Heaven
headed for this bed of hay
So we could have something to live for
That's why we celebrate on Christmas Day, yeah

Sleepin' on a bed of hay
The one who could take our sins away, ooh
Sleepin' on a bed of hay
The Holy Child

Looks like angels in the sky
and some shepherds that came on by
Everyone go tell the story to the world
of the Child who was born to die

Sleepin' there in swaddling clothes
being watched over by Mary and Joe
Wise men bow down low
He came down because He loved us so, oh

Sleepin' on a bed of hay
The one who could take our sins away, ooh
Sleepin' on a bed of hay
The Holy Child

(whistle to fade)

WISE MAN

Comin' to ya
from a land afar
Three kings
We're guided by a star
And when we get
to where it leads us
We will worship
the baby Jesus

Chorus:

I'm a wise man
I'm a wise man
I'm a wise man
I'm a wise man

Brought what we brought
a long way
These precious gifts
to where the baby lay
Frankincense
and gold and myrrh
We'll lay 'em by
the manger

(repeat chorus)

We'll stop and see
Herod for some news
Ask where is born
the King of the Jews
He'll lie to us
but he can't fool us
We'll only let
Baby Jesus rule us

(repeat chorus)

So come with us
Hear angels sing
in Bethlehem
and worship the newborn king, yeah (yeah) yeah (yeah)

(repeat chorus)

TIME OF THE SEASON

It's the time of the season
for the holidays
All the tinsel and the carols
and the time we spend with family
We celebrate the season
'cause our God
gave His only Son
It's the time of the season for Christmas

All the lights (All the lights)
On the houses (On the houses) shine bright
fill the street with cheer
They remind us (They remind us)
of the star (of the star) that led
the wise men to the Holy Child
I got my lights up early
because they're
still up from last year
It's the time of the season for Christmas

And the big (And the big)
Christmas dinner (Christmas dinner) yum yum
with the family
Aunts and uncles (aunts and uncles)
and the grandmas (and the grandpas) big hugs

Hope I got something good from Uncle Fred
House is really crowded
But it's great
because it's filled with love
It's the time of the season for Christmas

BORN IN BETHLEHEM

Born down in David's town
That's where He laid His glory down
The whole world was lost in sin
but the Father had a plan to bring us back in, now

Chorus:

Born in Bethlehem
He was, born in Bethlehem
He was, born in Bethlehem
Born in Bethlehem, now

Just like the prophets told
Gabriel came to Mary, and said, "Behold,
you may be a teenage girl
but you're carrying the Savior of the world, now"

(repeat chorus)

Caesar sent the order down
"Everybody go to your hometown"
Joseph was from David's line
so he and Mary got to Bethlehem
just in time, now

Every year we celebrate
at this time, on this date
Jesus left his heavenly throne
and He came down to earth to make us His own, now

Born in Bethlehem
He was, born in Bethlehem
He was, born in Bethlehem
He was, born in a stable in Bethlehem, now

(repeat)

I'VE GOT TO HIDE THESE GIFTS AWAY

Here I stand, gifts in hand
that my kids will like a lot
If I don't hide them well
They'll find out what they got

Every year I go through this
until Christmas Day
My kids can't wait till Christmas morn
to open them and play

Hey I've got to hide these gifts away
Hey I've got to hide these gifts away

I've tried the attic and the garage
I can never win
Somehow they always find
the place I hide them in

They don't buy it when I say
they're in Santa's sleigh
If they were at the North Pole
they'd find them anyway

Hey, I've got to hide these gifts away
Hey, I've got to hide these gifts away

(instrumental fade)

GLORIA

Gloria, that's what the angels sang, now
appearing to the shepherds
I'm sure the shepherds said, "Wow!"
They said, "We come to bring good news
Today is born a Savior"
and then they said "This is your sign
You'll find Him lying in a manger"
Today we still remember the song the angels sang
How the host of Heaven rang, singing Gloria!

Gloria, rejoicing in God's glory
The shepherds were astonished
to hear the Christmas story
They went and found the manger
while the angels filled the sky, oh, singing Gloria

Gloria (Gloria), Glory in the highest (Gloria)
Peace on earth and goodwill (Gloria)
And no one can deny it (Gloria)
Today we still remember
the song the angels sang
How the host of Heaven rang, singing Gloria!

A-ha, a-ha, Gloria, in excelsis deo
Jesus came to earth to save us
and came to show us all the way-o

Let us seek Him like the wise men
every morning, night, and afternoon
Let Him come into your heart today
'cause you know He's comin' back soon
Then we'll sing with Him in glory the song the angels sang
How the host of Heaven rang, singing Gloria!

Gloria, rejoicing in God's glory
We gotta tell the world now
the wondrous Christmas story
Born in a manger
while the angels filled the sky, oh, singing Gloria

Gloria (Gloria), Glory in the highest (Gloria)
Peace on earth and goodwill (Gloria)
and no one can deny it (Gloria)
Today we still remember the song the angels sang
How the host of Heaven rang, singing Gloria!

Gloria!
(repeat 8x)
